Mockingbird

Chase Coy

Summer arrived on the back of a mockingbird.
It sang a sweet melody, but couldn't seem to find the right words.
I don't know if you've heard, but it's all over town,
Yeah they're buzzing about it now.
I was singing alone when the mockingbird came to me,
Perched on my windowsill, and hummed along quietly.
But before long she was singing along, and she said, yeah she said:"I've been waiting so long for these words to come out,
It's practically all I've been thinking about.
So thank you for finding the words I couldn't find on my own,
Now I'm not alone."Autumn was on it's way and summer was on it's way out;
The mockingbird told me: "I change with the seasons,"
And so she was leaving town in a few days now.
We said our goodbyes, and I secretly wished for more time,
But the seasons are merciless.
For a while we both stood in silence
Until she said:"I've been waiting so long for these words to come out,
It's practically all I've been thinking about.
So thank you for finding the words I couldn't find on my own,
Now I'm not alone."
