Radiation

The Boxing Lesson

Na na na na na na na na, na na na na na na na na
Hey
I'll lay it down
One time through
Gather round
Though this is a chore
So rich realize
I prefer poor advice
And showed her the door
This is your goodbye in case opportunity
Thought you were burning me down, but I'm finally free
(Chorus)
If you miss me, don't
If I never wanna see you again, I won't
If you get an invitation, I'm probably drunk
You're just as hot as radiation
But I'm in this situation
Oh the sun came up
Tell me, where'd I park?
We did it again
We had some fun, did some things, we got drunk
But I want it to end
'Cause I only give in when I get the need
I'm only coming around 'cause I get to leave
(Chorus)
If you miss me, don't

If I never wanna see you again, I won't
If you get an invitation, I'm probably drunk
You're just as hot as radiation
But I'm in this situation
Can't read, I can't see
Thinking 'bout the mess that you're in
Some things I couldn't see
What about the rest of you?
Well you're under my skin
But I can't let you in
Though you don't see scars
That's exactly what they are baby

Na na na na na na na na, na na na na na na na na
Baby baby, you're never gonna hurt me
(Chorus)
If you miss me, don't
If I never wanna see you again, I won't
If you get an invitation, I'm probably drunk
You're just as hot as radiation
But I'm in this situation
If you miss me, don't
If I never wanna see you again, I won't
If you get an invitation, I'm probably drunk
You're just as hot as radiation
But I'm in this situation
Yes I am, I gotta get out
If you miss me, if you miss me, if you miss me
Na na na na na na na na, na na na na na na na na...
