

# Please Don't Say You Love Me

[Gabrielle Aplin](#)

Summer comes,  
winter fades  
here we are just the same.  
Don't need pressure don't need change,  
so let's not give the game away. There used to be an empty space,  
a photograph without a face,  
but with your presence and your grace,  
everything falls into place. Just please don't say you love me,  
'cause I might not say it back,  
doesn't mean my heart stops skipping when you look at me like that.  
There's no need to worry when you see just where we're at.  
Just please don't say you love me, 'cause I might not say it back. Heavy words are hard to take,  
under pressure precious things can break,  
and how we feel is hard to fake  
so let's not give the game away. Just please don't say you love me,  
'cause I might not say it back,  
doesn't mean my heart stops skipping when you look at me like that.  
There's no need to worry when you see just where we're at.  
Just please don't say you love me, 'cause I might not say it back. Fools rush in.  
And I've been a fool before,  
but this time I'm gonna slow down  
'cause I think this could be more,  
the thing I'm looking for. Just please don't say you love me,  
'cause I might not say it back,  
doesn't mean my heart stops skipping,  
when you look at me like that.  
There's no need to worry when you see just where we're at.  
Just please don't say you love me, 'cause I might not say it back. Please don't say you love me,  
'cause I might not say it back,  
doesn't mean my heart stops skipping,  
when you look at me like that.  
There's no need to worry,  
when you see just where we're at.  
Just please don't say you love me,  
'cause I might not say it back.
