

Save Me

Karima Kibble

it's like falling in a dark hole that you can't get out of
waiting for the light of day
it's like building up enough faith to help you move that mountain
desperately moving for change
it's like looking for a rescue when you feel you can't do....
any thing else
pray, and cry, expel
LORD why?
no you can't do it on your own lift your hands and sing a song and
say....LORD save me
no I can't do it on my own
LORD save me
LORD my heart feel forever were so cold
cause I been trying, pushing, fighting
and I need you desperately
LORD won't you save me
rescue me I'm on my knees I'm calling
won't you come protect my heart
cause I been trying, pushing, fighting
and I need you desperately
LORD won't you save me....it's like putting on a smile for those for those who are around you
secretly crying in tears
feel like you're lost in a dark maze blinded by your pain
helplessly a fictum of fear....
you always feel you're not apart of with all I depend on
you pray, and wait for the break of day.....
no you can't do it on your own lift your hands and sing a song and
say....LORD save me
no I can't do it on my own
LORD save me
LORD my heart feel forever were so cold
cause I been trying, pushing, fighting
and I need you desperately
LORD won't you save me
rescue me I'm on my knees I'm calling
won't you come protect my heart
cause I been trying, pushing, fighting
and I need you desperately
LORD won't you save me....so many times I try this thing on my own

but I failed 100 times over
but you will take over
all I do, and what I been, all my doubts
depend on my dreams
I lay them all with you right now I'm reaching out to you.....LORD save me
no I can't do it on my own
LORD save me
LORD my heart feel forever were so cold
cause I been trying, pushing, fighting
and I need you desperately
LORD won't you save me
rescue me I'm on my knees I'm calling
won't you come protect my heart
cause I been trying, pushing, fighting
and I need you desperately
LORD won't you save me.....
