

Have You Seen My Love

Rosie Thomas

Have you seen my love?

Is he far away?

Have you seen the one for me?

His face lights up my day I won't let one boy steal a kiss or call me his

Instead I'll wait for his voice to call out to mine and carry these daydreams away Have you seen my love?

Is he far away?

Have you seen the one for me?

I won't let him get him get away Please tell him that I'm waiting for him

Praying for him

Night and day

For now I'll be a lonely girl longing for his sweet embrace
