

Koop Island Blues (Featuring Ane Brun)

Koop

Hello, my love
It's getting cold on this island
I'm sad alone
I'm so sad on my own The truth is
We were much too young
Now I'm looking for you
Or anyone like you We said goodbye
With the smile on our faces
Now you're alone
You're so sad on your own The truth is
We ran out of time
Now you're looking for me
Or anyone like me Hello, my love
It's getting cold on this island
I'm sad alone
I'm so sad on my own The truth is
We were much too young
Now I'm looking for you
Or anyone like you
