

# Well Done

# Erica Campbell

n his face  
 Let us sing forever of his saving grace  
 On the streets of glory  
 Let me lift my voice  
 Cares all past  
 Home at last  
 Ever to rejoice I wanna hear him say well done  
 One time, one time (one time, one time)  
 One time, one time (one time, one time)  
 I just wanna hear him say well done  
 One time, one time (one time, one time)  
 One time, one time (one time, one time)  
 All I wanna do is hear you say it (one time)  
 Write my name in the book, call me (one time)  
 That's all I really need just (one time)  
 I can't wait till I see you (one time)  
 One, one, one, one, one, one  
 You gave me my gift go and have it back  
 You fill me with love so I give it back to you  
 You gave me my husband you know I love him  
 And now I give him back so you know I'm all in  
 Lord, take my children, my family  
 I want you to know that you have me  
 I, I need to know that you're happy, yeah  
 When I finally stop breathing I wanna hear him say well done  
 One time, one time (one time, one time)  
 One time, one time (one time, one time)  
 I just wanna hear him say well done  
 One time, one time (one time, one time)  
 One time, one time (one time, one time)  
 All I wanna do is hear you say it (one time)  
 Write my name in the book, call me (one time)  
 That's all I really need just (one time)  
 I can't wait till I see you (one time)  
 One, one, one, one, one, one  
 I wanna wake up in my heavenly home  
 All my people bow down to the king on the throne  
 Hold up! wait a minute!  
 Gold streets, gold mansions

Just because I love god with a passion  
Can't getcha what he gets, but if you ask him  
He'll give you that life, can you imagine?  
Living without all his grace  
Sometimes I still get amazed (yeah, yeah, yeah)  
Praise you for all of my days  
Until I finally stop breathing I wanna hear him say well done  
One time, one time (one time, one time)  
One time, one time (one time, one time)  
I just wanna hear him say well done  
One time, one time (one time, one time)  
One time, one time (one time, one time) Don't you wanna live a thousand forevers  
Closer than ever  
Never say never  
Don't get any better  
I'll love him forever  
And worship forever... Did I serve you right?  
Did I live out loud?  
Did I do it for you or did I do it all just for the love of the crowd?  
Did I give you my all?  
Did I give you my life?  
Cause you gave me yours so I gotta give it back, man that's only right Said I wanna hear you say (Well done!)  
When you call my name (Well done!)  
Can't wait to get there (Well done! Well done! Well done!) on that great day  
Said when I get to heaven (Well done!)  
Gonna sing and shout (Well done!)  
And nobody there put me out (Well done! Well done! Well done!)  
Said I will be ready (Well done!)  
When he call your name (Well done!)  
Do you wanna see Jesus (Well done! Well done! Well done!)  
Well done (Well done!)  
Good and faithful servant (Well done!)  
C'mon! C'mon in! (Well done! Well done! Well done!)  
When I see Jesus (Well done!)  
Amen! (Well done!)  
Amen! (Well done! Well done! Well done!)  
Sing hallelujah (Well done!)  
With angels (Well done!)  
Well done! Well done! Well done!  
Well done!
