Roll On 'em

Chingy

i know you thinking this song is gonna be about
all the problems in my life
all my pain and sorrow
all the shit i been thru
in the time i been living in this earth, fucked up earth
well im sorry to let you know that it aint
haha
cool ll j what up yea this your boy chingy man
straight fromn the low
all the way to miami
we doing it big baby
now loets go
