(You need time)
I need time
(Time)
Love
Joy
(Joy)
I need space
(And love)
I need me
(Action)Say hello, to the girl, that I am
You're gonna have to see
Out of my perspective
I need to make mistakes
Just to learn, who I am
And I don't wanna be
So damn protectedThere must be another way
'Cause I believe in takin' chances
But who am I to say?
What a girl is to do?
God I need some answersWhat am I to do with my life?
(You will find it out don't worry)
How am I supposed to know what's right?
(You just gotta do it your way)
I can't help the way I feel
But my life has been
So overprotectedI tell 'em what I like
What I want, and what I don't
But everytime I do
I stand corrected
Things that I've been told
I can't believe
What I hear about the world, I realize
I'm over 'verprotectedThere must be another way
'Cause I believe in takin' chances

What a girl is to do?
God I need some answersWhat am I to do with my life?
