

# Overprotected

## The Karaoke Channel

(You need time)

I need time

(Time)

Love

Joy

(Joy)

I need space

(And love)

I need me

(Action) Say hello, to the girl, that I am

You're gonna have to see

Out of my perspective

I need to make mistakes

Just to learn, who I am

And I don't wanna be

So damn protected There must be another way

'Cause I believe in takin' chances

But who am I to say?

What a girl is to do?

God I need some answers What am I to do with my life?

(You will find it out don't worry)

How am I supposed to know what's right?

(You just gotta do it your way)

I can't help the way I feel

But my life has been

So overprotected I tell 'em what I like

What I want, and what I don't

But everytime I do

I stand corrected

Things that I've been told

I can't believe

What I hear about the world, I realize

I'm over 'verprotected There must be another way

'Cause I believe in takin' chances

But who am I to say?

What a girl is to do?

God I need some answers What am I to do with my life?

(You will find it out, don't worry)

How am I supposed to know what's right?

(You just gotta do it your way)  
I can't help the way I feel  
(Help the way I feel)  
But my life has been so overprotected I need time  
(Love)  
I need space  
(This is it) I don't need nobody telling me just what I wanna  
What I want what what I'm gonna  
(I need)  
Do about my destiny  
(I say no no)  
Nobody's tellin' me just what I wanna  
(Do, do)  
I'm so fed up with people telling me to be  
Someone else but me  
(Action)(Yeah, yeah, yeah)  
What am I to do with my life?  
(You will find it out, don't worry)  
How am I supposed to know what's right?  
(You just gotta do it your way)  
I can't help the way I feel  
(Feel)  
But my life has been  
So overprotected I don't need nobody telling me just what I wanna  
What I want what what I'm gonna  
Do about my destiny  
(I say no no)  
Nobody's tellin me just what I wanna  
(Do, do)  
I'm so fed up with people telling me to be  
Someone else but me What am I to do with my life?  
(You will find it out, don't worry)  
How am I supposed to know what's right?  
(You just gotta do it your way)  
Oh, I can't help the way I feel  
(The way I feel)  
But my life has been  
So overprotected
