dont be sad just look at me.wanna be happy, for a while -
dont be sad ill make you smile -
wanna be happy now, wanna be free.dededadadadadadadadadedadadendeWeine, weine, wenn dir danach ist,
oder hast du Angst davor, dass dir dein Herz bricht?
Doch lache, lache,
lache jeden Tag,
nach jedem Wolkenbruch, gibts immer ein Danach.yeah...
everything I have
everything I have -
all this time I wasted -
all things I thougt I need -
and now Im in the place that I dont want to be.all I wantedwanna be happy in my soul -
wanna be happy feel the flow -
wanna be happy, wanna be free -
dont be sad just let it be.wanna be happy for a while -
dont be sad Ill make you smile -
wanna be happy now, wanna be free.and I dont wanna wait another day -
all I want is to be happy.yeah...
wanna be happy -
wanna be free -
wanna be happy -Ich fliege, fliege, fliege schneller als der Wind.
Entfalte mich und dse im Brausewind geschwind.
Ich eile, eile, eile im hundert Meter Sprint.
Ich laufe viel zu schnell,
bin verloren im Labyrinth.yeah
everything i aint
everything i aint
eating chocolate in the rain -
in the way it came -
and now I feel the pain -
all I wanna gain -
is the same, same
yeah yeah yeah yeah
is the same.wanna be happy in my soul -
wanna be happy feel the flow -
wanna be happy, wanna be free -dont be mad just let it bewanna be happy, for a while -

dont be sad just make a smile -
wanna be happy now, wanna be happy baby.everything is gonna be alrigth
everything is gonna be alrigth
everything is gonna be alrigth
everything, everything
everything is gonna be alrigth
everything is gonna be alrigth
everything is gonna be alrigth
everything is gonna be good
and I dont wanna wait another day
all I want is to be happy
