

Misread (Acoustic Session)

Kings of Convenience

If you want to be my friend
You want us to get along
Please do not expect me to
Wrap it up and keep it there
The observation I am doing could
Easily be understood
As cynical demeanor
But one of us misread And what do you know
It happened again A friend is not a means
You utilize to get somewhere
Somehow I didn't notice
Friendship is an end
What do you know
It happened again How come no-one told me
All throughout history
The loneliest people
Were the ones who always spoke the truth
The ones who made a difference
By withstanding the indifference
I guess it's up to me now
Should I take that risk or just smile?
