

# The Bony King Of Nowhere

## Bagpuss

The Bony King of Nowhere  
He sat upon his throne  
He didn't much like sitting there  
Because his throne was ...  
His throne was made of stone

His throne was made of marble white  
It's feet were made of gold  
It was a royal throne alright  
But oh dear it was ...  
It was extremely cold

That skinny king of nowhere  
Was feeling very chilly  
He said to go on sitting there  
Was really very ...  
And also very chilly

He jumped on the tea table  
And said please will you find  
A seat thats soft and suitable  
To warm a king's be-...  
Just see what you can find

They fetched him up a hammock  
But they couldnt keep it still  
They put him on a rocking horse  
The rocking made him ...  
It made him very ill

They sat him on a wool sack  
But that rubbed up his knees  
They rolled him on a feather bed  
But that just made him...  
It simply made him sneeze

That poor old king of nowhere  
Just sat there looking sad  
He said if you could help me

I'd be very very...  
Particularly glad

Two mice came up from somewhere  
Behind their royal chum  
They said dear king here is a thing  
To warm the royal ...  
And stop you feeling numb

The thing it was a cushion bright  
Of silk and gold brocade  
So square and soft and small and light  
And very neatly...  
Of silk and gold brocade

Now the happy king of nowhere  
Is smiling on his throne  
His smile is rosy, his seat is cozy  
Although his throne is stone, is stone  
The mice have made it nice, oh nice  
He is a happy king
