## **Red Light**

## Wall of Voodoo

If it's the rough stuff ya want You can point yer finger at me 'Cause I can dish it out good But I don't give it away for free There's a price for my vice And I want it in cash In a plain brown bag You can put it out by the trash

Chorus:

There'll be a red light by the window And a blue light by the car He'll be running

But he won't get far

There'll be a red light by the window

And a blue light by the car

He'll be running

But he won't get far

This modern world deserves a

Modern attitude

You've gotta stick it to them

Before they stick it to you

I want the money

And I want it in cash

In a plain brown bag

You can put it out, put it out, put it out by the trash

Chorus repeat

Red light

Blue light

Red light

Blue light

This modern world deserves a modern attitude
