My Own World

Screeching Weasel

I know the sun I'm looking at
is the same sun seen by the world
and that's a fact
But no one sees it quite the same
and some don't see the sun at all and that's a shameI know the lies I'm looking at
are the same lies accepted by the world as fact
But I don't see things quite that way
And I refuse to hide here from another dayDon't try throwing things at me I'm
I'm contradicting myself by letting know
You try to tell me that I
don't know what I'm doing right
When they say jump
You ask how highI know the sun I'm looking at
is the same sun seen by the world
and that's a fact
But no one sees it quite the same
and some don't see the sun at all and that's a shameAnd that's a shame [x2]
And that's a shame
