Run Run

Lord Lhus

You've gotta run run run
Run as best as you can
I'm gonna get you
You've gotta hide hide hide
Hide till you can't hide no more
I'm gonna find you
You've gotta run run run ...

You've gotta run run run
Run till you can't run no more
You've gotta hide hide hide
Hide till you can't hide no more
I'm gonna find you
I'm gonna get you
