

# Run Run

## Lord Lhus

You've gotta run run run  
Run as best as you can  
I'm gonna get you  
You've gotta hide hide hide  
Hide till you can't hide no more  
I'm gonna find you  
You've gotta run run run ...

You've gotta run run run  
Run till you can't run no more  
You've gotta hide hide hide  
Hide till you can't hide no more  
I'm gonna find you  
I'm gonna get you
