15 Will Get You 20

City High

15 will get ya 20
Don't think it can't happen to you
15 will get ya 20
Don't think it can't happen to you18 fresh out of school
Doin' the right thing playing by the rules
But one day she caught his eye
36 - 24 with a skirt size 5He stepped to her and asked her name
Not even thinking to ask her age
She's so fine she had to be grown
Had he knew then what he knows nowShe was only 16
With the body of a 20 year old beauty queen
Man, oh, man, how could this be
So please fly but only 1615 will get ya 20
16 will get you 10
Don't think it can't happen to you
'Cause it happened to one of my friends15 will get ya 20
16 will get you 10
Don't think it can't happen to you
'Cause it happened to one of my friendsLet me tell you about my friend Gene
1997 homecoming queen
Working hard on her degree
But one hot day she was out at the GreekAnd there he was, about 5 foot 9
Chocolate and cocoa in the middle of July
So fine, he had tha lips of a vintage wine
If she knew then what she knows nowHe was only 16
With the body of a God and the face of the king
Man, oh, man, how could this be
So 25 but only 1615 will get ya 20
16 will get you 10
Don't think it can't happen to you
'Cause it happened to one of my friends15 will get ya 20
16 will get you 10
Don't think it can't happen to youThis is the Gettotel, I'm on stage with my gazelles
I spotting her through the lens, a young Cinderel
You know the kinda girl that starts street wars with C-4s and 4-4s
I met her on tour, she said, "Can I take a draw of your spit"
I said, "Cool by the way I got a suite up at the palace"
Enough kinda bisque but the chick ain't mentioned
Now I'm in prison, feelin' like Anthony Maison15 will get ya 20

16 will get you 10
Don't think it can't happen to you
'Cause it happened to one of my friends
