 Hmm, hmm, hmm
 Ohh hmmI can sing about love lost
 But what if there's no love to lose?
 If everyday I saw sunshine
And it, it never rained the bluesIf my fear were tears
 I wonder, could they fall
 If a smile could stretch a mile
Even if I had no money at allBut I'm willin' to take
 Whatever life brings
 'Cause you're the only one
That seems to know meAnd even if the bad times call
 If I had you back
 I wouldn't complain at all
I wouldn't complain at allI can dream about tomorrow
 Even if it's still today
 (Still today)
I'd wear down my knees every night
 Even if I had no hands to pray
 (I had no hands to pray)
 If my friends were dead and gone
 (Dead and gone)
 Leavin' me here alone
Could I depend on some spirit to ease me
When my soul's on its ownMy eyes were blind
 And I couldn't feel at all to see
Nothin' in this world but you complete meAnd even when the bad times call
 If I had you back
 I wouldn't complain at all
 (At all)
 I wouldn't complain at all
 I wouldn't complain at all
 I wouldn't complain at all
OhhCome back to me, yeahOoh ooh ooh
If you just wanna hang out with the boys
 I wouldn't complain
 I wouldn't make a fuss
No not a noiseI wouldn't complain
 Leave your socks on the dresser
 And not in the drawer

I wouldn't complain
Just as well
If you wanna watch your favorite sport, baby
I wouldn't complain
(I wouldn't complain at all)Change my way of livin'
I wouldn't complain
(I wouldn't complain at all)
Show you much understandin'
I wouldn't complain
(I wouldn't complain at all)
For you
(I wouldn't complain at all)
Promise to love you more
I wouldn't complain
(I wouldn't complain at all)
Ohh ohh
I wouldn't complain
(I wouldn't complain at all)
I wouldn't complain
(I wouldn't complain at all)Ohh
Come back, ha
(I wouldn't complain at all)
I wouldn't complain
(I wouldn't complain at all)
I wouldn't complain at all
Ohh ohh, ohh
(I wouldn't complain at all)
I wouldn't complain at all
Ay ay
(I wouldn't complain at all)
(I wouldn't complain at all)
