

Looking At You

Crossway

Verse 1:

They stood in a line to say there last goodbyes.
They shook my hand and spoke of you so kind.
One by one they offered up a prayer of thanks for the way you loved.
It brought back memories of all you were to me.

Chorus:

I watched you wak in faith, I heard the prayers you prayed
I saw you demonstrate such love.
You ived a life that shared, strait from a heart that cared.
It was you who led me to the truth.
I learned so much about Jesus, looking at you.

Verse 2:

Even though Gods taken you away,
I'll forever feel the difference that you made.
As i try to walk like Jesus did, I'll be passing on the life you lived.
I clearly want to be, everything you were to me.

Chorus

Verse 3:

You never lived for glory or fame.
Your one desire was to honour his name.
But what to you was just an ordinary life,
was the journy of a hero in my eyes.

Chorus

(I learned so much about jesus x2)
