Delusion

Hundredth

tell me i'm free to run with my tied feet
si when i fall you can coax me with sympathy
force failure down my throat until i feel gui; ty
weaken my will by limiting what i can do
what i can say and how to be
want me to compromise want me to fall in line
i tried surrender
but i had to let go
rise in revolt
resist the fear i was being sold
i freed myself from your divine delusion
chains of guilt that were enslaving me
put a veil over my eyes, debt myself to a sacrifice
i have to blind myself to believe
tell me to fly but theres a ceiling
cage me in and say that i cant leave
drag my through dirt so you can clean me
but i wont surrender to
the cold hand trying to silence me
make me follow a concept
a mouth that doesnt speak
slanted the truth and expected me not to see
the warped reality that breeds bigotry and ignorance
trades equality for kneeling at an empty throne
forfeit control to none
the warped reality
forfeit control to none
kneeling at an empty throne
forfeit control to none
the warped reality that breeds bigotry and ignorance
trades equality for kneeling at an empty throne
forfeit control to none
i had to let go
rise in revolt
resist the fear i was sold
i freed myself from your divine delusion
chains of gui; t that were enslaving me
put a veil over my eyes debt myself to a sacrifice
i have to blind myself to believe
