Love

Keyshia Cole

I used think that I wasn't fine enough
And I used to think I wasn't wild enough
But I won't waste my time tryin' to figure out
Why you playin' games, what's this all about?And I can't believe you're hurting me
I met your girl what a difference
What you seen in her you ain't seen in me
But I guess it was all just make believeOh love, never knew what I was missin'
But I knew once we start kissin' I found
Love, never knew what I was missin'
But I knew once we start kissin' I found, found youNow you're goin', What am I gonna do?
So empty my heart, my soul can't go on
Go on without you
My rainy days fade away
When you come around please tell me baby
Why you go so far away, why you goLove, never knew what I was missin'
But I knew once we start kissin' I found
Love, never knew what I was missin'
But I knew once we start kissin' I found, I found you
Who would have known I'd find you?Now you're goin', What am I gonna do?
So empty my heart, my soul can't go on
Go on baby without you
Rainy days fade away
When you come around say you're here to stay with me boy
I don't want you to leave me, I, I need youLove, never knew what I was missin'
But I knew once we start kissin' I found
Love, never knew what I was missin'
But I knew once we start kissin' I foundLove, never knew what I was missin'
But I knew once we start kissin' I found
