

Last Night

Az Yet

Last night you were so into it
You told me secrets that you've never told a soul
You were so nervous and yet, oh, so comfortable
As we explored your image of love I drank your wine as you taste mine
I kissed your lips, you felt my mind slip
Into your soul
I almost cried 'cause it was so beautiful Last night, I was inside of you
Last night, while making love to you
I saw the sun, the moon
The mountains and the rivers
I saw heaven when I made sweet love to you Last night, there was no planning it
It was so special and so very innocent
We talked of memories, our favorite fantasies
As we explored our visions of love Deep in the night, right by the fireside
You felt my candlelight in your soul
You felt incredible, I started to explode
I almost cried 'cause it was so beautiful Last night, I was inside of you
Last night, while making love to you
I saw the sun, the moon
The mountains and the rivers
I saw heaven when I made sweet love to you Sunlight, red, red roses
The scent of you, it calms the heart
The sight of you, I fall apart Moonlight, the things we notice
When we're in love, that's when it comes
And I'm so, I'm so in love Last night, I was inside of you
Last night, while making love to you
I saw the sun, the moon
The mountains and the rivers
I saw heaven when I made sweet love to you, baby Last night, I was inside of you
Last night, while making love to you
I saw the sun, the moon
The mountains and the rivers
I saw heaven when I made sweet love to you, baby Last night, I was inside of you
Last night, while making love to you
I saw the sun, the moon
The mountains and the rivers
I saw heaven when I made sweet love to you
