

Ras Child

Winston McAnuff

Oh yeah,
I'm a ras child
coming from the abyss of a lost tribe
I won't cry
I'm working on the alley all alone (yes I am). Lord you've been so good to me,
With all your love and sympathy
I want to walk the righteous way
Help me jah don't let me stray.x 2 You took us away Caribbean sea
Tell me when down there what did you see,
Pure destruction and Poverty
Give thanks and praises for his majesty,
Good God
All day, all night; all day
Monday to Friday,
Saturday and Sunday,
Oh! Struggler, they call me
Looks like the sun will shine today
Oh lord
Eh I tell you what
Brake their bonds asunder
Oh lord, Brake their bonds asunder
With thunder!
