New Way To Bleed

Evanescence

Serve your twisted enemy,
So you might earn forgiveness.
You know your whole world is waiting,
So why can't you speak?
I feel it coming over me,
I'm still a slave to these dreams.
Is this the end of everything,
Or just a new way to bleed?
So go and tell all your friends
That I'm a failure underneath
If it makes you feel like a bigger man.
But it's my, my heart, my life,
That you're calling a lie.
I've played this game before,

And I can't take anymore!
I feel it coming over me,
I'm still a slave to these dreams.
Is this the end of everything,
Or just a new way to bleed?
By drifting far beyond the edge
Freedom, freedom
Can't you feel the ground caving in?
Freedom, give us a reason to believe again!
I feel it coming over me,
I'm still a slave to these dreams.
Is this the end of everything,
Or just a new way to bleed?
