

baby

Tomorrows Tulips

I see you roll your eyes
when i turn my head too quickly
and I wonder if when i'm far away
what do you say and do you miss me
am I looking into it too much
or just being your babyi see you roll your eyes
when i turn my head too quickly
and I wonder if when i'm far away
what do you say and do you miss me
well im tired not of trynig but of being your baby
