

Happy Lil' Hippie

[Cody Simpson](#)

She said she don't like the news
it's all bad, it's all sad, it turns her brown eyes blue
She said she don't watch the tube
she dreams big, she sleeps and
whenever she's got something else to do, she takes off her shoes And she takes a walk through the city
Looks at all the pretty things she sees
She's a happy lil hippie, nothing gonna get her down
She's got a diary for the memories that she'll never read
'cause she's a happy lil hippie, nothing gonna get her down
na na na na na na na na x2 And if you're quiet you can hear her
singing all alone or dancing in the mirror
'cause she said she don't like to party
with people she don't know, 'cause she likes to let go
and take her clothes off, she takes her clothes off on me And she takes a walk in the city
Looks at all the pretty things she sees
She's a happy lil hippie, nothing gonna get her down
She's got a diary for the memories that she'll never read
She's a happy lil hippie, nothing gonna get her down
na na na na na na na na x4 If you get the chance to meet her
I just hope you never leave her with a frown. She says she don't like the news
it's all bad, it's all sad, it turns her brown eyes blue
