

Just What I Needed

The Cars

I don't mind you comin' here
And wastin' all my time
'Cause when you're standin', oh so near
I kinda lose my mindIt's not the perfume that you wear
It's not the ribbons in your hair
And I don't mind you comin' here
And wastin' all my timeI don't mind you hangin' out
And talkin' in your sleep
It doesn't matter where you've been
As long as it was deep, yeahYou always knew to wear it well and
You look so fancy I can tell
I don't mind you hangin' out
And talkin' in your sleepI guess, you're just what I needed
I needed someone to feed
I guess, you're just what I needed
I needed someone to bleedI don't mind you comin' here
And wastin' all my time, time
'Cause when you're standin', oh so near
I kinda lose my mind, yeahIt's not the perfume that you wear
It's not the ribbons in your hair
I don't mind you comin' here
And wastin' all my timeI guess, you're just what I needed
I needed someone to feed
I guess, you're just what I needed
I needed someone to bleedI guess, you're just what I needed
I needed someone to feed
I guess, you're just what I needed
I needed someone to bleed
Yeah, yeah, so bleed meYou're just what I needed
You're just what I needed
You're just what I needed
Yeah, yeah, yeah
