Iâ€™m Giving In

Matt Andersen

oh my brightest love
we've fought this long enough
it only makes it worse
it only makes, it only makes it hurti tried to drown the fire
but i watched those flames grow higher
thinking you can have it all
anything, anything you wantcome and take me over
i'm giving in, i'm giving in to you
go ahead, take me over
i'll let you win, i'm giving in to you
i'm giving in and girl i give in to you
don't believe my words
'cause words don't mean a lot
just ignore my voice
but listen to, please listen to my heartcome and take me over
i'm giving in, i'm giving in to you
go ahead, take me over
i'll let you win, i'm giving in to you
i'll let you win, girl i give in to you
so whatever happens now
at least you've heard out loud
the way i feel about you
ain't no turnin' roundgo ahead, take me over
i'll let you win, girl i give in to you
