Sorry Little Sarah

Blue System

Oh, you're cryin'
Like a child that lost his toy
In the shadows of your loveDo you think these tears I cry
Are tears of joy?
'Cause my tears are not enoughI wanna kiss you, kiss you
I wanna miss you, miss you
I never want to lose your heartYou've got the best of me
Come take the rest of me
My loveSorry little Sarah, Sarah
I'm waiting for a girl like you
Sorry little Sarah, Sarah
Dreams come trueBaby, I'm waitin' for your call
I'm staring at the wall
Sorry little Sarah
Oh, I lose my self controlDon't you want me
'Cause I'm the losing guy?
Oh, don't take your love to townDon't you see the rainbows, baby
On the sky?
Oh, don't let it get you downI wanna kiss you, kiss you
I never hurt you, hurt you
And it's too late to say goodbyeNo one can love you more
What are you waiting for, my loveSorry little Sarah, Sarah
I'm waiting for a girl like you
Sorry little Sarah, Sarah
Dreams come trueBaby, I'm waitin' for your call
I'm staring at the wall
Sorry little Sarah
I lose my self controlSorry little Sarah, Sarah
I'm waiting for a girl like you
Sorry little Sarah, Sarah
Dreams come trueSorry little Sarah
Oh, I lose my self control
