

# When She Loved Me

Jordan Pruitt

When somebody loved me  
Everything was beautiful  
Every hour we spent together  
Lives within my heartAnd when she was sad  
I was there to dry her tears  
And when she was happy so was I  
When she loved meThrough the summer and the fall  
We had each other that was all  
Just she and I together  
Like it was meant to beAnd when she was lonely  
I was there to comfort her  
And I knew that she loved meSo the years went by  
I stayed the same  
She began to drift away  
I was left aloneStill I waited for the day  
When she'd say  
I will always love youLonely and forgotten  
Never thought she'd look my way  
She smiled at me and held meJust like she used to do  
Like she loved me  
When she loved meWhen somebody loved me  
Everything was beautiful  
Every hour we spent together  
Lives within my heartWhen she loved me, hey
