

But I Am A Good Girl

[Christina Aguilera](#)

The dress is Chanel, The shoes YSL
The bag is Dior, Agent Provocateur
My address today, LA by the way
Above Sunset Strip, the hills all the way
My rings are by Webster, it makes their heads twirl
They all say, "Darling, what did you do for those pearls?"
What? I am a good girl
The age I adore, the day, oh, no more
Breakfast Polo Launch and pools at the shore

The Chateau for cocktails, The Courtyard at night
Downtown is for dinner, the hell is divine
You know I have found the words going round
They all say my feet never do touch the ground
What? I am a good girl
I am a good girl
Ah, ooh, ah, yeah, ah
