Rush

Ferras

I kissed your sweet lips
I floated so high
Your eyes looked at mine
The world froze in time
What is this feeling?
I am on cloud nine
Guess I?m still reeling from your body next to mine
CHORUS:
It?s a rush I can?t explain
Like you shot something crazy into my veins
And I?m ten feet off the ground
And I don?t want to come down
Don?t want to come down
I know you?re sleeping
I wish you were right here
?Cause my bed?s so empty
I?d hold you so close dear
And I sang my song to you
Your smile was priceless
What else can I do?
I?m a junkie over you

CHORUS:
It?s a rush I can?t explain
Like you shot something crazy into my veins
And I?m ten feet off the ground
And I don?t want to come down
Is it me, or is everything spinning
I?m wide awake but I must be dreaming
It?s like you?re some kind of drug
Try to catch my breath
And see if I?m still breathing
Touch my heart and make sure it?s beating
It?s like I?m falling in love
CHORUS:
It?s a rush I can?t explain
Like you shot something crazy into my veins
And I?m ten feet off the ground.
And I don?t , no I don?t, no, don?t want to come down

Don?t want to come down
Gonna come down
