

# Rush

## Ferras

I kissed your sweet lips  
I floated so high  
Your eyes looked at mine  
The world froze in time  
What is this feeling?  
I am on cloud nine  
Guess I'm still reeling from your body next to mine

### CHORUS:

It's a rush I can't explain  
Like you shot something crazy into my veins  
And I'm ten feet off the ground  
And I don't want to come down  
Don't want to come down  
I know you're sleeping  
I wish you were right here  
'Cause my bed's so empty  
I'd hold you so close dear  
And I sang my song to you  
Your smile was priceless  
What else can I do?  
I'm a junkie over you

### CHORUS:

It's a rush I can't explain  
Like you shot something crazy into my veins  
And I'm ten feet off the ground  
And I don't want to come down  
Is it me, or is everything spinning  
I'm wide awake but I must be dreaming  
It's like you're some kind of drug  
Try to catch my breath  
And see if I'm still breathing  
Touch my heart and make sure it's beating  
It's like I'm falling in love

### CHORUS:

It's a rush I can't explain  
Like you shot something crazy into my veins  
And I'm ten feet off the ground.  
And I don't , no I don't, no, don't want to come down

Don't want to come down  
Gonna come down
