Rush

Ferras

I kissed your sweet lips
I floated so high
Your eyes looked at mine
The world froze in time
What is this feeling?
I am on cloud nine
Guess I?m still reeling from your body next to mine
CHORUS:

It?s a rush I can?t explain

Like you shot something crazy into my veins

And I?m ten feet off the ground

And I don?t want to come down

Don?t want to come down

I know you?re sleeping

I wish you were right here

?Cause my bed?s so empty

I?d hold you so close dear

And I sang my song to you

Your smile was priceless

What else can I do?

I?m a junkie over you

CHORUS:

It?s a rush I can?t explain

Like you shot something crazy into my veins

And I?m ten feet off the ground

And I don?t want to come down

Is it me, or is everything spinning

I?m wide awake but I must be dreaming

It?s like you?re some kind of drug

Try to catch my breath

And see if I?m still breathing

Touch my heart and make sure it?s beating

It?s like I?m falling in love

CHORUS:

It?s a rush I can?t explain
Like you shot something crazy into my veins
And I?m ten feet off the ground.
And I don?t, no I don?t, no, don?t want to come down

Don?t want to come down
Gonna come down
