

# Shiza Radio

## Shaka Ponk

I wrote a song, a Shiza Song  
On radio, I wanna go  
I WANT IT ALL, AROUND THE WORLD  
Cada stereo for my bongo

I made a song, a shiza song,  
On radio, I wanna go  
I wanna sing, mi crappy swing  
On shiza tunes of idiots

'Letseugo on radio'

I want the TV, I wanna rock  
I want the girl who want the singa suck  
A private party, so I can shine  
I want Fergie to sing into my mic

Tokyo city, Angola, Cuba, Dolce cabanna  
Bigga NY City, Barcelona Miami  
China, Inglaterra, Vatican o Panama  
From Gaza, Gaya to Neptune, play my funky tune

I made a song, a shiza song,  
On radio, I wanna go  
I wanna sing, mi crappy swing  
On shiza tunes of idiots  
I wanna please stunning MCs  
Numero UNO, I wanna go  
Hit the radio with my bongo
