

# All You've Ever Wanted

## Casting Crowns

I just looked up today and  
Realized how far away I am from where You are  
You gave me life worth dying for but  
Between the altar and the door  
I bought the lies that promised more  
And here I go again Oh  
Oh Lord, I know I let You down  
But somehow, I will make You proud  
I'll turn this sinking ship around  
And make it back to You But all my deeds and my good name  
Are just dirty rags that tear and strain  
To cover all my guilty stains  
That You already washed away 'Cause all You've ever wanted,  
All You've ever wanted  
All You've ever wanted was my heart  
Freedom's arms are open,  
My chains have all been broken  
Relentless love has called me from the start  
And all You wanted was my heart I was chasing healing when I'd been made well  
I was fighting battles when You conquered hell  
Living free but from a prison cell  
Lord, I lay it down today So I'll stop living off of how I feel  
And start standing on Your truth revealed  
Jesus is my strength, my shield  
And He will never fail me 'Cause all You've ever wanted,  
All You've ever wanted  
All You've ever wanted was my heart  
Freedom's arms are open,  
My chains have all been broken  
Relentless love has called me from the start  
All You wanted was my heart Oh  
No more chains, I've been set free  
Oh  
No more fighting battles You've won for me  
Oh  
Now in Christ, I stand complete  
Oh All You've ever wanted,  
All You've ever wanted  
All You've ever wanted was my heart

(All You've ever wanted was my heart)  
Freedom's arms are open,  
My chains have all been broken  
Relentless love has called me from the start  
And all You wanted was my heartOh  
And all You wanted was my heart  
Oh  
All You ever wanted was my heart  
Oh  
And all You wanted was my heart  
Oh
