Dreamworld

Hot Water Music

The Breakfast Creek Hotel is up for sale
The last square mile of terra firma gaveled in a mail
So farewell to those Norfolk Island pines
No amount of make believe can help this heart of mine

End, your dreamworld is just about to end
Fall, your dreamworld is just about to fall
Your dreamworld will fall

Shut that buckle and turn that key again
Take me to a place they say the dreaming never ends
Open wide, drive that mystery road
Walk through Eden's garden and then wonder as you go

End, your dreamworld is just about to end
Fall, your dreamworld is just about to fall
Your dreamworld is just about to fall

Sign says 'Honeymoon For Rent'
Cloud land in dreamland turns
Sun comes up and we all learn
Those wheels must turn

End, your dreamworld is just about to end
Fall, your dreamworld is just about to fall

End, your dreamworld is just about to end
Fall, fall, fall, fall, fall, your dreamworld is just about to fall
