

# Surf Colorado

## Bowling For Soup

I saw you there, your long brown hair  
Falling on your face, the way it used to fall on mine  
At one time, a long time ago  
I still remember everything you said to me that night  
It's too bad and it's too late  
You were such a big mistake  
Please, don't call me anymore  
I used to miss you  
There's no surf in Colorado anyway  
And it's a shame to hear you're happy  
And you still look at me that way  
There's no surf in Colorado anyway, yeah  
She never waved at me or said "Good-bye"  
One night, she just left me and her behind  
There she goes and no one knows  
What she does to my heart, still, she'll never know  
How we speak across the room  
Eye to eye, she's holding him, holding me soon  
It's too bad and it's too late

Was it such a big mistake?  
You don't call me anymore  
And I still miss you  
There's no surf in Colorado anyway  
And it's a shame to hear you're happy  
And you still look at me that way  
There's no surf in Colorado anyway, yeah  
She never waved at me or said "Good bye"  
One night, she just left me and her behind  
Remember the first time, goddamn, we got so high  
She held me so close that I thought that I might break  
And now she's a mile high and I'm on Texas time  
She traded rattlesnakes for bunny runs in Colorado Springs  
Yeah, there's no surf in Colorado anyway  
And it's a shame to hear you're happy  
And you still look at me that way  
There's no surf in Colorado anyway, yeah  
She never waved at me or said "Good-bye"  
One night, she just left me and her behind
