Tell Me You Love Me

Boy Epic

Tell me you love me just one time
Just give me one night
I'll be the secret on your lips
Let me be that one kiss
If you fall
Fall into my arms
Come and fall
Break down your walls
And
Tell me you love me one time
I can see the truth in your eyes
Say you will
Forget tomorrow and be with me tonight
Just tell me you love me one time
And this isn't goodbyeI know I can't ask you to stay
But I've stayed awake
Now my eyes are open I won't miss a thing
Here is my heart and I hope that's ok
you are the one
So If you fall
Fall into my arms
Come and fall
Break down your walls
And
Tell me you love me one time
I can see the truth in your eyes
Say you will
Forget tomorrow and be with me tonight
Just tell me you love me one timeTell me you love me one time
Just
Tell me you love me one time
