

# Antenna Head

## ZZ Top

Old sixty one's my number on the highway  
I'm turnin' up the V's on the airways  
I'm tuned into some bad ass transactions  
It's the only way to get my satisfaction Yeah antenna head  
Yeah antenna head Antenna waves be burnin' up my radio  
Mister DeeJay say, it's the only way to go  
Cranked up all the way, my tube is turnin' red  
Got a pocket full off cornbread, just call it  
(Antenna head) Yeah antenna head  
Yeah antenna head  
Yeah yeah yeah, antenna head
