

Color Bars

[Elliott Smith](#)

I see color bars when I come
Sergeant Rock broke the key off in the lock
To where I come from
Sir, no sir We have no power in the air
The battle's on the ground
Laying low again
High on the sound Bruno S. is a man to me
You're just some dude with a stilted attitude
That you learned from TV
You'll undo But I'll be connecting everything
The traffic in my town
Riding high again
High on the sound Everyone wants me to ride into the sun
But I ain't gonna go down
Laying low again
High on the sound
