Dedicated To the One I Love

Laura Nyro

Each night before you go to bed my baby
Whisper a little prayer for me my baby
And tell all the stars above
This is dedicated to the one I love(life can never be exactly like we want it to be)
I could be satisfied knowing you love me
(but theres one thing I want you to do especially for me)
And its something that everybody needsWhile Im far away from you my baby
Whisper a little prayer for me my baby
Because its hard for me my baby
And the darkest hour is just before dawnIf theres one thing I want you to do
Especially for me
And its something that everybody needsEach night before you go to bed my baby
Whisper a little prayer for me my baby
And tell all the stars above
This is dedicated to the one I loveThis is dedicated to the one I love
This is dedicated to the one I love
This is dedicated to the one I love
(this is dedicated)
