

# Dedicated To the One I Love

Laura Nyro

Each night before you go to bed my baby  
Whisper a little prayer for me my baby  
And tell all the stars above  
This is dedicated to the one I love (life can never be exactly like we want it to be)  
I could be satisfied knowing you love me  
(but theres one thing I want you to do especially for me)  
And its something that everybody needs While Im far away from you my baby  
Whisper a little prayer for me my baby  
Because its hard for me my baby  
And the darkest hour is just before dawn If theres one thing I want you to do  
Especially for me  
And its something that everybody needs Each night before you go to bed my baby  
Whisper a little prayer for me my baby  
And tell all the stars above  
This is dedicated to the one I love This is dedicated to the one I love  
This is dedicated to the one I love  
This is dedicated to the one I love  
(this is dedicated)
