War Machine

Kiss

Wanna bite the hand that feeds me, wanna turn the tides

Set the demons free and watch 'em fly

Strike down the one who leads me, I'm gonna take his place

Gonna vindicate the human raceBetter watch out 'cause I'm a war machine

Better watch out 'cause I'm a war machine, yeahTake the reins of power and seize them, draw the battle lines

Armageddon's just a matter of time

Tear down the voice of reason, let the arrows fly

Your freedom's just a state of mind, yeahBetter watch out 'cause I'm a war machine

You better watch out 'cause I'm a war machine
