

# Round 'n' Round

Chris Isaak

Here we go round 'n round  
State your case and then sit down  
Tell me why you want to go  
I don't love you anymore  
Here you go mad again  
Tell me that you're just a friend  
Tell me something I don't know  
I don't love you anymore  
I don't love you anymore

Yeah

Oh

When I do go  
I'll let you know  
It might hurt you  
But I don't think so

Here we go round 'n round  
State your case and then sit down  
Tell me why you want to go  
I don't love you anymore  
I don't love you anymore  
I don't love you any more

hep hep hep

hep

Oh-----

Round 'n round 'n round  
Round 'n round 'n round 'n round

hep

hep

oh oh oh oh

Round round round round round round round

Here we go
