Memory

Lesley Garrett

Midnight
Not a sound from the pavement
Has the moon lost her memory?
She is smiling alone
In the lamplight
The withered leaves collect at my feet
And the wind begins to moanMemory
All alone in the moonlight
I can smile at the old days
I was beautiful then
I remember the time I knew what happiness was
Let the memory live again
Every streetlamp
Seems to beat a fatalistic warning
Someone mutters
And the streetlamp gutters
And soon it will be morningDaylight
I must wait for the sunrise
I must think of a new life
And I musn't give in
When the dawn comes
Tonight will be a memory too
And a new day will beginBurnt out ends of smoky days
The stale cold smell of morning
The streetlamp dies, another night is over
Another day is dawning
Touch me
It's so easy to leave me
All alone with the memory
Of my days in the sun
If you touch me
You'll understand what happiness isLook
A new day has begun
