

Love Will Tear Us Apart (Album Version)

Fall Out Boy

When routine bites hard and ambitions are low
And resentment rides high but emotion won't go
And we're changing our ways taking different roads Love, love will tear us apart again
Love, love will tear us apart again
Love, love will tear us apart again
Love, love will tear us apart again Why is the bedroom so cold, turned away on your side?
Is my timing that flawed, our respect run so dry?
Yet there's still this appeal that we've kept through our lives Love, love will tear us apart again
Love, love will tear us apart again
And love, love will tear us apart again
Love, love will tear us apart again Do you cry out in your sleep? All my feelings exposed
Care to taste in my mouth as desperation takes hold
Is it something so good? Just can't function no more And love, love will tear us apart again
Love, love will tear us apart again
And love, love will tear us apart again
Love, love will tear us apart again Love, love will tear us apart again
Love, love will tear us apart again
Love, love will tear us apart again
