

# Concreto

## Fear Factory

Hammer down  
The sickness  
Wipe it out  
Of existence  
Cut down corruption  
Cut down infection  
Scrape down  
Wipe out  
Concrete  
Concrete  
Concrete  
Hammer down  
The sickness  
Wipe it out  
Of existence  
Scrape down  
Wipe out  
Cut down
