

# Infatuated

## Prima J

I not usually like this so I'm tryna fight this  
But I'm burning for you, yearning for you  
I've got a cravin' fo ya 'cause boy, I adore ya  
So you should come through, there's things we can do 'Cause you're so fine, what I like just my type  
You need to come, come get me  
'Cause I see my invite is at a limited time only When you are around my body gets a rush  
(Rush)  
Just so you know I'm not in love with you  
But this is so far from a crush So boy I thought I'd tell you the truth  
I'm infatuated, infatuated, infatuated with you  
I'm infatuated, infatuated  
And I don't know what I'm gonna do I'm not asking for marriage, a horse with a carriage  
See I don't need much long as I got your touch  
Boy you know I want you really bad  
You're the one that I gotta have 'Cause you're so fine what I like just my type  
You need to come, come get me  
'Cause I see my invite is at a limited time only When you're around my body gets a rush  
(Rush)  
Just so you know I'm not in love with you  
But this is so far from a crush So boy I thought I'd tell you the truth  
I'm infatuated, infatuated, infatuated with you  
I'm infatuated, infatuated  
And I don't know what I'm gonna do Is it more than infatuated, boy, you got me gone  
(Got me gone)  
Can't help that I wanna be with you alone  
(You alone) My face light up every time you call my phone  
(Call my phone)  
You send chills, you send chills  
Through my bones If you didn't then now you do baby boy  
You take me high, really high up to the sky  
And I'm not telling you no lie All I wanna do is get you close  
And be the girl right by your side baby  
We can leave tonight  
(Leave tonight)  
And do anything you like, that's right When you're around my body gets a rush  
(Rush)  
Just so you know I'm not in love with you  
But this is so far from a crush So boy I thought I'd tell you the truth  
I'm infatuated, infatuated, infatuated with you

I'm infatuated, infatuated  
And I don't know what I'm gonna do I'm infatuated, infatuated, infatuated with you  
I'm infatuated, infatuated  
And I don't know what I'm gonna do  
I am infatuated, I'm so infatuated
